

MOC9000

METZ

Lead the future

4k UHD OLED Android TV™  
DVB-C/T2/S2  
65" / 55"

Breathtakingly real and razor sharp: the OLED TV offers home cinema with a goosebump guarantee. It supports a variety of HDR formats, most notably Dolby Vision for unadulterated film-watching pleasure. In combination with the OLED 4K display, which comes with HDR and 10-bit colour depth, it provides optimum colour brilliance, exceptional excellent depth of detail and an almost limitless contrast ratio. The 120Hz panel reproduces movement with exceptional fluidity. The concealed integrated sound system emphasises the understated yet elegant design and supports surround sound formats. In addition, Android 10 brings a seemingly infinite variety of content to your living room: from games to sport to series or blockbuster films - with the integrated Google Assistant voice command search function, you can find content even faster.
