MTD1000

LED TV DVB-C/T2/S2 24"

This compact 24" TV is perfect as a second or even third television set and its comprehensive functions offer tons of fun despite its small size. A 16:9 aspect ratio means all modern content can be easily displayed. The flat screen comes with HD resolution of 1366 x 768 pixels, producing a high-quality picture. Equipped for all current reception types, nothing can get in the way of your TV enjoyment. The CI+ slot also offers you additional opportunities for playing back content on your MTD1000.
