The UHD MUB7000 series brings an irresistible combination of stylish aluminium design and optimal entertainment into your home. Experience cinematic moments with lifelike colours and ultra-high resolution pictures thanks to 4K UHD and HDR support. Equipped with Android 9.0, it offers you a full range of programmes, because access to the Google Play Store opens up an almost limitless scope of smart entertainment. You can enjoy endless content in addition to pre-installed VoD apps such as Netflix and Amazon Prime. DTS TruSurround brings virtual surround sound into your living room and numerous connectors ensure flexibility. Furthermore, the television is equipped with an integrated tuner for all reception types – so you don't have to miss out on traditional TV.
