Lead the future

4k UHD Android TV™  
DVB-C/T2/S2  
50" / 43"

Ready to entertain you: the new MUC8000 is equipped with the versatile Android TV 10 operating system for top performance, and supports both Dolby Atmos and Dolby Vision. The TVs are equipped with either a 100 Hz panel (65 and 55 inch) or a 50 Hz panel (43 and 50 inch), and both are direct LED panels for a television experience with perfect contrasts of deep black and brilliant colours. At 24W for the large screens and 20W for the small screens, the sound systems deliver great audio. Chromecast and Google Assistant make it even easier to find and share content.
