4k UHD OLED Android TV™  
with DVB-C/T2/S2  
65" / 55"

## androidtv

The S9A from METZ impresses with its unique home cinema feeling: the OLED 4K display with HDR and 10-bit colour depth enables hitherto impossible black levels – for breathtakingly brilliant colours, sharp contrasts and excellent depth of detail. DTS TruSurround and Dolby for virtual surround sound and the soundbar with a 2-way bass reflex system and 6 front-facing speakers provide the perfect audio backdrop. Equipped with Android 8.0 (65") / Android 9.0 (55"), the S9A brings a wide range of content to your living room: whether games, sport, series or blockbuster films – with the integrated voice command search function for finding content even faster.

- High-quality OLED display for perfect black and the most brilliant colours
- UHD resolution (3840x2160) with HDR support and 10-bit colour depth
- Android™ with access to a wide range of content including voice command
- DTS TruSurround und Dolby sound
- Wireless connection with integrated WiFi
