With the U2 range of 4K UHD TVs, you can bring a real all-rounder into your living room. Look forward to an ultra-high resolution picture and access to a wide range of content through integrated smart TV apps. Simply play your photos, videos or music via USB – three HDMI connections, a WiFi interface and a LAN network connection provide further options. Thanks to its integrated multi-tuner (DVB-C/T2/S2) and a CI+ slot for CA modules, the U2 is well equipped for all types of reception technology.

- UHD resolution (3840x2160p) with HDR and 10-bit colour depth
- Integrated apps such as Netflix for limitless film enjoyment
- Wireless connection with integrated WiFi
- Various connection options
